‘Rebellion Behind Glass Walls: The Potential for Queer Resistance in Pet Invertebrates?’, in: *Zoophilologica* 2/2025

### **Other Publications**

‘How to talk about yourself in Tibetan’ – e-book, *Azjatyckie Języki* Publishing House, 2023

## GRANTS & AWARDS

---

### **Student exchange programme as part of bilateral cooperation between Poland and Mongolia**

Type: Student exchange

September 2023

Details: Research on multispecies entanglements of camel herders in the Gobi desert

Status: Student researcher

Project title: Multispecies entanglements of camel herders in western Gobi desert

### **IV.2.3. Student Mobility - mobility grant**

Type: Research grant

March - May 2023

Details: Master's thesis data collection

Project title: Invertebrate Trade in Australia

### **Oriental studies faculty micro-grant**

Type: Conference grant

July 2022

Details: International conference travel grant: 16<sup>th</sup> IATS conference in Prague

### **University of Warsaw Student Award**

Type: Rector's Academic Achievement Award

Three times: 2019/2020, 2021/2022, 2022/2023

Details: Scholarship for talented students of the University of Warsaw

## ACADEMIC EVENTS

---
